

The table lists the number of universities in various fields of study by URAP Field ranking.

URAP Fields	Listed Universities
01 Mathematical Sciences	1000
02 Statistics	250
03 Physical Sciences	1000
04 Chemical Sciences	1500
05 Earth Sciences	750
06 Geology	500
07 Environmental Sciences	1000
08 Biological Sciences	1500
09 Agriculture	1000
10 Veterinary Sciences	500
11 Information & Computing Sciences	750
12 Engineering	1500
13 Chemical Engineering	1000
14 Civil Engineering	500
15 Electrical & Electronics Engineering	1000
16 Environmental Engineering	750
17 Food Engineering	500
18 Materials Engineering	1000
19 Mechanical Engineering	1000
20 Technology	1500
21 Medical and Health Sciences	2000
22 Dentistry	250
23 Pharmacology	500
24 Architecture	250
25 Urban Planning	250
26 Education	500
27 Economics	500
28 Commerce, Management, Tourism and Services	500
29 Business	250
30 Studies in Human Society	500
31 Sociology	250
32 Psychology and Cognitive Sciences	750
33 Psychology	500
34 Law and Legal Studies	300
35 Studies in Creative Arts and Writing	300
36 Film & Digital Media	100
37 Journalism	100
38 Language, Communication and Culture	500
39 Archeology	500

40 History	250
41 Philosophy	250
59 Aerospace Engineering	100
56 Anthropology	100
42 Astronomy & Astrophysics	250
54 Biomedical Engineering	250
57 Human Movement & Sports Sciences	100
43 Industrial & Manufacturing Engineering	250
44 International Relations	100
45 Library & Information Science	100
46 Marine Sciences & Technology	250
55 Metallurgy Engineering	250
47 Meteorology & Atmospheric Sciences	250
61 Molecular Biology & Genetics	750
60 Nanoscience & Nanomaterials	500
58 Neurosciences	500
48 Nursing	100
52 Political Science	250
49 Robotics & Intelligent Systems	300
50 Sustainable & Renewable Energy	250
51 Transportation Science & Technology	100
53 Zoology	250
62 Artificial Intelligence	250
63 Surgery	500
64 Clinical Neurology	300
65 Oncology	500
66 Pediatrics	250
67 Telecommunications	300
68 Energy & Fuels	500
69 Polymer Science	300
70 Immunology	300
71 Ophthalmology	100
72 Geriatrics & Gerontology	100
73 Women'S Studies	100
74 Ethnic Studies	100
75 Optics	300
76 Public, Environmental & Occupational Health	500
77 Water Resources	250
78 Infectious Diseases	250
